

# ABERDEEN WINS BY 4 TO 3 SCORE FROM GIANTS

Jean Camozzi, the Aberdeen southpaw, emerged victor by a 4 to 3 score over Chief LeRoy of the Seattle club at Electric park yesterday in a hard fought pitchers' battle.

A single by Morse in the last of the eighth, his steal of second and a single by Egan gave Aberdeen the winning run. Seattle had tied up the score in the eighth when Murphy sent out a three-bagger, bringing in two runs. Although only one man was out at the time, Murphy could not get home, Carman going out on a grounder and LeBourveau, the mighty Seattle slugger, popping out on a foul fly to Roland.

### Silcott Clouts Ball.

Aberdeen scored three of her four runs in the opening inning. Bogard walked, Morse singled and Egan advanced them both a base with a sacrifice. Silcott then hit the pill into center field for two bases, scoring two. He romped home on Altschul's single.

After that Chief LeRoy was stingy with his hits and the only time the Kittens again were able to find him was in the eighth, when they connected for two safe blows, scoring the winning run.

Today's game will be played at 2 p. m., with Eastley pitching. The details yesterday:

The big game for The Call trophy takes place today at 3 o'clock at Jackson park playgrounds. It will be some game, and both the Wells Fargo Nevada Bank boys and the North Beach Feds are going to win even before the contest is started.

The teams have made a great showing in The Call league series. The Wells Fargo team has played 10 games and has still to meet its Waterloo. The North Beach Feds claim that this afternoon will mean the downfall of the millionaires.

The bank boys, on the other hand, state that though they know the Feds in Mexico have been doing great work, yet the North Beach Feds are going to meet their masters when Umpire Jim Nealon calls "Play ball" this afternoon.

## Newbauers, Granats In Title Contest

The leadership of the San Francisco Midwinter League will be at stake today when the teams of J. H. Newbauers and Granat Brothers hook up at Ewing field at 12 o'clock noon. The teams are now tied for first place in the American division of the league.

Williams will twirl for the Newbauers and Jake Bauer will catch. Manager Cohen of the Granats will send Gene Camozzi to the mound, with Llewellyn as catcher. The Newbauers will be strengthened by the addition of Sammy Worth and Coleman.

Gene Camozzi pitched a no run no hit game for the Granats in their last practice game prior to their meeting the Drury Hatters for the city championship Sunday, against the Presidio Natives. Gene had everything on the ball and with his teammates hitting the offerings of Larry Beeves, hither and thither, was a cinch to win. Camozzi has learned a whole game full in the last year or so as to how games should be pitched, and unless we miss our guess he is going to make things mighty hot for the Drury outfit.

Comozzi walked two and struck out five. Von Morick issued two passes and sent 4 to the bench by the three-wave route.

**ROCK ISLAND:** The Islanders couldn't touch Camozzi after he had found his bearings and went out in order. Schulte got W. Glox's foul, Mefney popped to Dee and Dennis, batting for Reed, popped to Krehmeyer. No runs, no hits, no errors.

## Three Winter Nines Left in Pennant Race

THE San Francisco Winter League race was narrowed down to three teams by the directors' meeting this week. Remaining in the contest after Bosses Jim Nealon, Charley Graham and Roy Corhan got through are the Drury Hatters and San Francisco Firemen of the National Division and the Granat Brothers of the American Division.

The J. H. Newbauer team was shoved out of the contest when their protest of last Sunday's game with the Associated Terminals was disallowed by the directors. The eligibility of O'Connor to play with the Terminals was given the G. K. Sunday put the Newbauers out of running.

This Sunday the main dish of the day will be a double-header, which, if won by the Drury Hatters, will mean that they are tied up with the Firemen for the lead of the National Division. The Hatters must defeat the S. P. Socials and Foresters, which they figure to do. But the recent mishap suffered by the Newbauers in two reputed soft contests will keep the Drury nine on its mettle.

## CITY BASEBALL CHAMPIONSHIP STARTS SUN.

With the Coast League ball teams preparing for the coming season at the various training camps, local baseball fans are turning their attention toward the three game series between the Drury Hatters and the Granat Brothers for the city championship in the Midwinter League.

The first game of the series will be played at Ewing Field next Sunday afternoon at 2 o'clock. On the following Sunday a doubleheader will be played on the same field. Besides the title being at stake the winner of the series will also hold the A. G. Spalding trophy for one year. The Granat boys won a leg on the three time win trophy two years ago and are anxious to score a victory on a date thereby giving them an edge in the series.

A number of prominent players are on both teams and it is on a par with the brand of teams turned out is expected to result from their meeting. Sunday's game is expected to furnish a pitching duel between Tom Keating of the Drury Hatters and Gene Camozzi of the Granat outfit.

Arrangements for the series were completed today by Frank Sears an Charley Iredale, managers, respectively, of the Granat and Drury
