

# San Mateo Captures State League Title 1929

DEFEATING the San Jose Blues, 7 to 6, yesterday, the San Mateo Blues won the championship of the California State League.

As the Blues also captured the title in the first half, they are the winners of the \$1,000 purse that goes with the pennant.

Yesterday's contest was played before the largest crowd that ever jammed the Floral City diamond. The overflow called for ground rules.

Camozzi started for the winners and pitched good ball, but he hit a wild streak and had to be replaced by Jimmy Vierra in the fifth inning. The latter turned a nice performance, his best work being done in the pinches.

Jack Kavanaugh, the Garden City southpaw, who opened on the mound for the losers, was stingy with base hits but far too generous with walks and, as a result, had to be replaced.

Schnarr succeeded to the mound and was nicked for a double that scored three tallies which decided the issue.

The Blues started the scoring in the second frame with a two-run rally, and from that point on they kept ahead of their opponents, maintaining a one run margin most of the way.

Danny Collins and George Makin supplied the power in the Blues' offense, each driving in three scores. Curly Gardner and Carl Johnson aided in the Floral City

victory by accounting for five of the seven tallies registered.

# FRANKELS HERE SUNDAY

## Fast Team to Cross Bats With Sperrys in Endeavor to Wipe Out Defeat

The announcement that the Barney Frankels of San Francisco are coming to Redwood again next Sunday to play the Sperrys will be received with keen joy by the fans of the city. The Frankels played the locals about a month ago and the game resulted in a victory for the latter after nine innings of the most strenuous base ball ever seen on the local diamond. The score was 5 to 3.

The clothing team claimed that the game should have been a tie. With the score 3 all in the last of the sixth inning and two men on, "Mush" Stevens of the locals threw the ball over third along the foul line. Umpire Gettings ruled that the ball was fair; the Frankels claimed it was foul and disputed the game. The two men scored on the hit. The Frankels are now anxious to show the Sperrys that they have a team that is just as good as they are and they are determined to

play the game of their lives.

Manager Griffin will take no chances Sunday and will use his strongest team against the visitors. He hasn't decided yet whether to pitch Chase or Comozzi. Both men are in fine fettle now and capable of going in and pitching great ball. Many of the fans of the city, who did not see last Sunday's game, when Comozzi held the Ford Motor team hitless and runless for the entire nine innings are anxious to see him in action again, and Griffin may put him in against the Frankels.

The battery for the San Francisco bunch will be Whitlow and Potter, the same as the last game.

# Cops and Granats Set For Tight Game Sunday

EVEN though the fans are "eating up" the news that is coming from the training camps, actual competition is what they crave, and that's what they will get Sunday at Recreation Park when the San Francisco Police Department and the Granat Bros. meet for their second game of their series at 2:30.

Lieut. Jack Casey is around claiming the second honors even at this date so he says that there will be nothing to it Sunday, for he has received permission of Harry Wolferton, manager of the Seattle club, now doing their training at San Jose, to have Ren Kelly and Pete

Ritchie come up and do their stuff against the Granats. Both of these leaders on the Seattle roster, and are the mainstays of the Cops' squad.

Now the lieutenant has evidently not taken that trusty inf. which he is looking to, one said Gene Camozzi had consideration, for whenever the hefty pitcher is on, that mound jiggling the horsehide the opposing pitchers are in for a bunch of trouble and that is just the man that Frank Sears is counting on to even the count on the Cops.

Both clubs have a world of hitting strength and good moundmen so a survival of the fittest, with a humdrum battle is what will be dished out to the fans Sunday.

# WELL-KNOWN LOCAL PLAYERS HOME FROM CLOSED LEAGUES

Every train and boat leaving Seattle for the past two days brought one or more players of the defunct Northwestern league to California.

No less than six players arrived here yesterday—Bobby Smale and Lebourveau, outfielders, both of whom played with the Oaks yesterday; Vic Dobbs and Gene Camozzi, pitchers, and "Red" Roland and Pete Ritchie, catchers.

Ritchie, supposed to have been bought from Seattle by the Chicago Cubs, has not heard from Mgr. Fred Mitchell, who promised to send him transportation two weeks ago.

According to Dobbs, Dick Egan will arrive here today or tomorrow. Egan managed the Aberdeen club, Dobbs signing with him after being released in spring training because he had a sore arm.

Camozi won 10 games and lost eight with Aberdeen, wildness being his only fault.

By JERRY. THE largest crowd that has ever witnessed a ball game in San Mateo, saw Gene Camozzi, the southpaw king of the bushes shut out

Barney Kerns' heavy hitters by a score of 3 to "get some" yesterday. Gene allowed but four much-d scattered hits and struck out 11 of the visiting team. He dealt out the hits to individual batters, no two to a man.

The best that can be said for Arlett in the "no" line is no strikeouts as every man on the home team either slapped the ball or walked each time at the plate.

Fine Support. The Blues gave Camozzi excellent support when opportunity offered, which was not often, playing errorless ball behind him. He had more real stuff on the ball than he had had for a day, lots of it, and had as working in almost perfect fashion during the entire session.
